

# REGINA DUPLICATE BRIDGE CLUB NEWS

Fall 2007

---

---

It's September and here we go—back to the bridge table after the activities of summer. Lessons have started, the Regional is upon us and the perennial issue of the Saturday game looms. Maintaining a successful Bridge Club is challenging—it begins with hoping that members, old and new, will all get into the habit of setting time aside for duplicate bridge.

Next, as I am fairly certain that most members want to improve their game; we have, again, asked Dick Anderson to co-ordinate the lessons offered. If you have a request for a certain type of lesson (or would like to present a lesson or lessons), please speak with Dick.

Thirdly, I encourage members to answer the call to face a wider variety of opponents by playing at a time other than your “regular” game and/or by venturing out to the Regional. While it is a bit scary at first to play stronger players, you do eventually get used to the faster pace and most of the experienced players are willing to answer your questions (there really is so much to remember) and, once in a while, you have the satisfaction of actually doing well on a hand or two!!

So, to all levels of players: seasoned, simmering, or just starting to taste duplicate bridge; I encourage you to become more involved in the Club. Consider bringing a newcomer out on Wednesday night. Get a team together for a Saturday—maybe do lunch. For our Monday night players—try out a Friday night. For our experienced players, how about taking a rookie under your wing to mentor on Wednesday nights?

Welcome to September—I hope you have fun at the table.

### **Wednesday Night Rookie/Master Game:**

As many of you may know, the Wednesday night game was once one of the well attended nights of the week down at the Club.

It has not seen the participation numbers as it has in previous years. This is a “mentor” game. As such, after each round discussion of the bidding, playing of the hand, etc. are sometimes discussed at length – and sometimes it's late getting home.

Therefore, the Executive has requested the Director to ensure that the game ends no later than 10:20 so everyone is out the door by 10:30.

If you would like to join in the fun and need a partner – Irene Huber and Dick Anderson know of lots of people who would love to play with you!

### **50/50 Volunteers Needed for the Regional September 24<sup>th</sup> – 30<sup>th</sup>**

The Club will be selling 50/50 tickets during the tournaments. Winners will be announced immediately at the beginning of each afternoon and evening game.

There is a sign-up poster at the club, at least two people will be needed each time.

This is your opportunity to help – please don't be shy!
