Subject: New Team Game Added to Calender + Much more!

Before I get to the exciting team game news, the RDBC would like to remind you that this Tuesday, November 30th is the Art Dahl Open Pairs club championship. The stratification is normal (C: 0-200, B: 200-500, A: 500+). It also happens to be a party night! So come on out, bring your friends, bring some food and prizes.

Thursday, December 9, 2004 is also a party night; our annual club Christmas party. Sorry the two parties are so close to each other, but I know everyone can make it out to both and show true bridge spirit and support for the RDBC.

I recently ventured in to the "Great Minds of the RDBC" and found a wise lady who gave me a message to tell all who play this wonderful game.

Saturday, December 4th, 2004 has been changed to a CNTC Team Game starting at the usual 1:00 PM time. A dollar more for RED points and a qualification opportunity. But ladies and gentlemen, that's not the only thing, rumour has it that Canada's top bridge player, Ken Gee may be showing up to this event. As it stands, it is only a rumour, so take it for what it's worth, but I wouldn't be surprised if the champion showed up to this event.

Don't miss out on the excitement and fun of the Regina Duplicate Bridge Club.

SUBJECT: 90th Birthday for Hazel Smith

My mother-in-law, Hazel Smith will be celebrating her 90th birthday on Dec. 5, 2004!! We are planning a surprise "card shower" for her, and know she would love hearing from her old bridge club in Regina! She was a member there in the 1960's. At that time, some of her bridge friends were Gary Mitchell, Tony Brown (who has passed away), Nelson ___?___, and Art D'Entremont, whose name we recently found on the Regina Bridge Club web page!! She has many good memories about that club! We are accepting cards for her at:

Mrs. Hazel N. Smith
c/o Richard C. Smith
2904 Oak Shadow Dr.
Oak Hill VA 20171
USA

She is still playing bridge, and living with her son, John, in West Springfield, Massachusetts. Thank you in advance for helping to make this a special and memorable birthday for Hazel!

Most sincerely,
Ruby Smith

Subject: CTV invites the Regina DBC to Canada AM

CTV's Canada AM Broadcasting from Regina

On Thursday, October 21 members of the Regina DBC are invited to be part of the audience for CTV's Canada AM. On Thursday, Canada AM will be broadcasting live from the RCMP training depot here in Regina. For all that attend, Jeff Hutcheson, the host of Canada AM, will be serving up a free breakfast. Canadian Idol runner up, Theresa Sokryka, will be on hand singing and signing autographs. There will also be some actors from Corner Gas on hand as well. The only catch is, because of the time difference, it's a super early start - as in 4:30AM!!

If you are going to take up this invitation and attend, please let Jan Anderson (761-1311 or rgand@sasktel.net) know by Tuesday night as the organizers from CTV will be asking me for a rough head count so they can alert security at the RCMP depot with the number of people that will be showing up.

I know this sounds early but it sounds like fun as well. Please let me know if you are going to attend the fun and festivities of a Canada AM show.

Subject: The RDBC Says 'Farewell' to a fellow bridge player....

On Tuesday, September 21, 2004. Dr. Marshall Owen Lundlie died at the age of 72 years.

Although details are sketchy, we have been told that Marshall was returning back from the recent Billings, Montana regional when he had a massive heart attack, rolled his vehicle and died on the scene.

Marshall was having a great bridge year, having won the Flight B Swiss Teams in Billings, MT and a couple of team events in Red Deer, AB in early August of this year.

Marshall became a life master in 1998 and later a bronze life master.

He was swept away from this world too soon and will always be remembered in our hearts.

Subject: Friendly Reminders and A Whole Lot More!

Just a reminder to those who forgot! On Thursday, September 30, 2004, the RDBC proudly presents

"Party Like It's 2004" bridge party! Bring food, bring prizes, bring your friends and we will supply the fun!

NOTE: This also happens to be the same night as the CNTC Club Qualifying. So this is a team event! Don't worry, if you don't have partners, I'm sure you won't be the only ones. So come on out and support your bridge club; we need the table counts!

Just a reminder of a few events hitting September:

Monday, September 20, 2004 - Evening North American 49er Pairs

Tuesday, September 21, 2004 - Evening COPC Qualifying Game - A pairs event, for a dollar more, with bonus points and the chance to qualify for the COPC.

For the month of October, there are 15 special events and of course, our annual Fall Sectional from October 21-24, 2004. Check out the club calendar for more information!

On a final note:

The Canadian Bridge Federation (www.cbf.ca) is an organization representing tens of thousands of Canadian bridge players. In the 1960s, Canadian membership in the ACBL had surpassed 10,000, due mainly to the stimulus provided by the Leagues club and tournament programs. As much as Canadians enjoyed ACBL bridge, they still lacked an organization that linked them directly. And so the Canadian Bridge Federation (CBF) came to fill this void.

Canadians can be proud of the CBF's 25+ years. Looking ahead, the future of the organization will depend in large measure on the continued support of an informed membership.

Therefore, if you are a Canadian bridge player and have not paid your CBF dues, please do so.

Annual dues are \$6.95 US for renewals and \$3.75 for first time members, juniors or students. These dues allow you to receive Bridge Canada (CBF's bridge magazine) and also allows you to be eligible for qualification in CNTC, COPC and CWTC events.

With that in mind, there is a CBF ran International Fund Regional coming up in Calgary, Alberta, Canada from March 21 to March 27, 2005. Plan to attend and support not only the CBF, but your bridge addiction as well. The event information can be found at

<http://www.calgarybridge.com/pdf/Cal2005.pdf>

Thanks for your continued support.

Subject: Another Year Gone By at the RDBC!

A very interesting and exciting year is soon to come to a close as the RDBC wraps up the 2003/2004 bridge year. A lot of things are to be looked back on as well as things to focus on for next year.

It is with deepest regret that the RDBC inform you that Joan Schneider, close friend of the Anderson

family and a queen of the bridge scene has been diagnosed with cancer. She has not been feeling well in the last month and this is the reason why. Joan has requested that club members contact her as much as possible to give her progress on the club's events and happenings. We all wish Joan the best of luck and pray that she recovers soon and can come back to the bridge table, where she is deeply missed.

The Annual General Meeting & Trophy Night will be held at the RDBC on Thursday, June 24, 2004. The meeting will start at 6:15 PM, so be sure to show up and cast your votes and voice your opinion for the 2004/2005 year! REMEMBER! If you show up for the meeting, you will get your bridge entry for the night FREE! What a deal!

A lot of events will take place this year at the AGM, including the recognizing of numerous new life masters as well as recognizing club championship winners. Furthermore, we will be discussing the edited club by-laws for approval. This and much more! You can't miss out!

On another note, Tuesday, June 8, 2004 at 7:30 PM hosts the NAOP Club Qualifying Game. This game is a dollar more for extra points and a chance to qualify. As explained the newsletter, here are the details again:

NAOP (North American Open Pairs) This is an ACBL Wide Pairs event. Club qualifying games are held throughout June, July and August each year. The club games are stratified: A: >2000; B: <2000; C: nonLM with fewer than 500. Players in the top 50% qualify as individuals for the next level of play. If a Unit Level is required, the Unit game is held at the beginning of September and partnerships are set when a pair fills in their entry at the Unit Final. (In 2004 there will not be a Unit Final - players advance right to the District Final) The next step is the District Final which is always held on the Saturday of the District 18 Fall Regional. (In 2004 this will be in Billings, MT the week of September 13 - 19). At the District Final the three Flights are separate events and our District qualifies three pairs in each Flight for the NA Final which is held at the Spring NABC. The pair finishing first in each flight receives airfare and hotel for the NA Final. The pair finishing second in each flight receives airfare for the NA Final. The third place pair in each flight is eligible to play in the NA final at their own expense.
