Hi everyone,

Please find attached 3 important documents. We ask that you reply as per Leslie's request, in particular indicating your vote regarding the 3 motions. Please do not reply directly to this email, but rather send your reply to Leslie personally at lmartin@myaccess.ca

We hope you are all well, and that we will soon be able to see you back at the tables.

We'll keep you posted.

Subject: Changes to BBO

If you are like me you may not read your messages. BBO has just announced and upgrade to BBO whereby they have moved the Casual Main Bridge Club and Relaxed Bridge Club to a new server. As a result you may not see some of your friends online. This is especially important if you are setting up a game to play with friends. Please read the below for what to do.

The html version of BBO has just been updated and it comes with a major architecture change.

In order to help expand the site and accommodate more players, all playing options available in the Casual menu have been moved to a second BBO server.

What does this mean?

- Every time you click on Casual you will be smoothly moved to another server. You will notice a "connecting..." pop-up on your screen every time you switch between Casual and the rest of the site.
- When this happens, you won't have to login again. You will be able to continue to use the site as you would normally do.
- You might notice some unusual things, as detailed below. Consider the CASUAL button an entry point allowing you to switch between BBO sites. If something's strange, click CASUAL and see if that fixes.

This is a work in progress, that required deep architectural changes to the site. You might notice unusual behaviours, such as:

- When you are playing in the Casual area, you will not see players connected to the main BBO server, and vice versa. This means someone playing an ACBL tournament for example will not see in the list of online players his friend who is playing in the Main Bridge Club.
- When you are playing in the Casual area you will not be automatically taken to your tournament, if you are registered for an upcoming game. So if you register for a Speedball and want to

play a few hands in Main Club until it starts, you might miss your game. Remember to switch back to the Competitive area with a few minutes before your tournament is scheduled to start.

- If you are trying to start a set game with your friends, ask them to click the Casual button before sending them invitations to join your table. If you are in Casual and they are on the main BBO site, they will not receive your invitations.

BBO's technical team worked hard to provide an immediate solution to the massive influx of new bridge players who needed a new home. We are aware there are improvements to be made, and we continue to focus on providing a seamless experience to our users.

Meanwhile we thank you for your understanding and we'll do our best to complete the two BBO servers integration as fast as possible.

Visit www.bridgebase.com and click Login/Register to give it a try. And remember, you can use your favorite device to log in — the html version is compatible with mobile devices too.

As always, you can reach us at support@bridgebase.com with comments, suggestions, bug reports.

Subject: A little catch-up

Hi everyone,

We hope this finds you safe and well. We have all had to make so many adjustments to our lives as we work together to fight this pandemic.

No doubt you are missing the Club, both for the opportunities to play bridge and for the social opportunities to enjoy the game among friends, including the new friends we all make here.

We still do not know when we will be able to get back to the tables, but once this happens, rest assured that we will follow all guidelines to make the Club a safe environment for all. In the meantime, some of you are finding that opportunities online are a helpful way to stay connected with bridge, and even with friends and fellow Club members as well. You'll find that there are opportunities for learning, as well as opportunities to play, some of which are just for enjoyment and some that also allow you to earn points. We've shared some of these ideas with you already with the hope that you will try them out, but you will no doubt find more with a little searching online. If you missed getting the previous emails, please let us know. Happy bridging!

MEMBERSHIPS

This is the time of year that members renew their Club Memberships. Because of the current circumstances, you will not be able to do so at this time.

However, no worries. Your current membership will be extended until such time as we are able to provide you the opportunity to renew.

PLAYER OF THE MONTH FOR MARCH

Congratulations to Cal McLeod, March Player of the Month, earning 7.65 mps.
Only half a month of Club play was possible. So well done, Cal.

MILESTONES

Congratulations to Gladys Boehler, who earned the rank of Junior Master in March.

Congratulations to Daniel Petrowsky, who earned the rank of Junior Master in March.

Congratulations to Patricia Stevenson, who earned the rank of Club Master in March.

Congratulations to Jane Kerr, who earned the rank of Sectional Master in March.

Congratulations to Marian Hutchinson, who earned the rank of Sectional Master in April.

*I don't have Daniel's email address, so if anyone has it perhaps you could forward this email to him.

CLUB CHAMPS

Congratulations to our new Tony Braun Mixed Pairs Club Champions, Pamela Keim & Jason Larrivee,
with an impressive 61.46% game

Placing second were Greg Hutchinson & Maureen Perepelkin, with a 58.33% game.

Congratulations to our new Board-A-Match Sherry Brooks Club Champions Cal McLeod, Duddow
Cooney, Wayne Nattrass, Kevin Young

Placing second were Alice Huber, Joan Quinlan, Audrey Sabier, Ilsa Krukoff

Congratulations to the winners of our new Special Friday the 13th Upgraded CC Game Cal McLeod &
Duddow Cooney with 60.42%

Placing second were Alice Huber & Joan Quinlan with a 59.38% game.

We miss you all, and hope that we will be able to sit down at the bridge tables with you again soon.
Take care of yourselves and your families. Stay healthy, stay safe.

Subject: Of special interest to 299ers

Below is a letter that the Saskatoon Club sent out to their 299ers. Here's a chance to play in games
meant for you 299ers.

(As an aside the Saskatoon executive decided to reduce the game price from \$4.75 to \$4.25 effective
immediately).

Hello to the U300!

I want to say, I miss you all, even those of you I don't know. :-) I wish that our Bridge Club -- nay, our city, our Country, our world! -- was operating as it was two months ago, but it seems that this is not to be for a while. In the interim, we will make do as best we can with what we have.

Thank you to the SBC leadership for setting up online games, and thank you to everyone who responded to the Under-300 Call for Players. Based on the responses, and also on the times that directors are available, John has indicated that we are going to hold the first under-300 game as follows:

Tuesday May 5th at 715 pm
Minimum 6 tables, 3 boards per round, 7 minutes per board
(Adjustments to boards can be made if we don't get 6 tables)

If we have good success on one night then we may try and add in more, or even weekend events if there's call for them. We need you to show up and make this a success!

I already have everyone's name and email who responded before, but if you didn't speak up last time and would like to chime in now, then feel free! Also, if you want to play but do not have a partner, let me know (306-321-2523, shane.h.w.travis@gmail.com) and I will try and connect folks.

FINALLY: this is a reminder that ACBL is hosting the "Stay@Home, Play@home" online Regional Tournament from April 30th through May 3rd. There are 299er events on Friday, and all of the Gold Rush events have U100 and U300 strats. A full schedule of events can be found at <https://web2.acbl.org/documentLibrary/play/stayandplayschedule.pdf>. A great chance to attend a Regional Tournament from the comfort of your own computer!

See you next Tuesday!

Subject: New opportunity to play

Hi everyone,

Here is an exciting opportunity for our Club members to join in on games with other members from our Club and with other Saskatchewan players. The arrangements are now complete through the Saskatoon Bridge Club and through ACBL.

Our players can start to play in the Saskatoon games starting this Monday

If you're already registered on BBO, you're ready to go. If not, then the first step is to be registered on BBO. This is an easy step. Just google Bridge Base Online and from there you can easily register for free. Once you're registered and have given yourself a user name, you're ready to go.

Now about these Saskatchewan games. They are sanctioned through ACBL, so will be for points.

Here is the game information:

The charge is \$4.75 per person via BBO (US\$).

After the sanction fees and on line costs are paid, all profits from Regina players will go to the Regina Bridge Club.

The games for now are: Monday, Tuesday, Wednesday & Friday at 12:45 pm Open.

Thursday evening at 7:15 pm Open.

Thursday at 12:45 pm Under 500.

The games are 18 boards, 3 boards per round and 7 minutes a board with an immediate switch if the rounds finish early.

These are club games and will pay club rating black points.

The games are found under the ACBL World section of BBO and will be listed as a Saskatoon Bridge Club game.

This can be advertised as a Saskatchewan game where you will only play against Saskatchewan people.

The proper order for finding the games on BBO:

First - Click on Virtual Clubs

Then - Click on ACBL Virtual Clubs
Now - Click on the Saskatoon Club game

GIVE IT A TRY. You'll have fun, be playing against other Saskatchewan players while having a chance to earn some mps, and you will be giving our Club some financial support as well.

This message comes from Claire Jones.

He's working on getting you some links to explain a little more about BBO. I'll pass them along once I get them.

Stay healthy everyone,

Ilsa

Subject: Peter Worby update

Peter had a stroke while in Oklahoma about March 6th.

His family arranged for his return to Canada on March 14th and he stayed for a week in the General Hospital.

On March 21st, he was moved to the Wascana Rehabilitation Centre.

Visitors have not been allowed at either location due to Covid-19 and his return from the states.

He is going to be having rehab to work on the left side of his body which was affected by the stroke. His mind is good and he is able to communicate.

His family is working on getting him a laptop so that he can play bridge on BBO when that is feasible. Hopefully people from the club will be able to greet him there sometime soon.

Thanks,

Kevin

Subject: Are you interested in playing with and against other club members?

ACBL is working on clubs being able to setup online games. In the meantime I have an Idea on how to set up tables for our members to play with and against each other. We can play in either the Relaxed Bridge Club or the Main Bridge Club. You don't get any MP but it's free. This is how it might work.

- We set a start time say 1:00 pm (our normal club start time) but logon 5-10 minutes early.
- People sign up by email as partners (easiest). You can use our partnership google group to find a partner just as you would for a regular club game.
- Based on the number that signup we would have one person at each table act as host (N/S) and start their table. The table would be by invitation only so spots are reserved for all 4 players. Instructions will be provided.

- After a set amount of time the E/W pairs would leave their table and the hosts at another table would invite them to join their table. This way you can play a number of boards against different pairs from the club instead of all the boards against the same pair.

- One person would have to coordinate (likely Don, he opened his mouth again) the tables and movement.

- Full tables are needed so it would be based on first come first serve.

Why the hassle? Well it's mostly so you can play against people you know. They aren't going to be rude and obnoxious.

As a trial to see if there is interest I am going to suggest we try it Monday and Thursday next week with a 1:00 pm start time. If you are intersted find a partner and send an email to donaldrn@gmail.com stating:

Day(s) you want to play

Your name & BBO name along with partners name and BBO name.

Whether you would be comfortable hosting (starting) a table. I can provide instructions.

I will take that information to make up tables and suggest when to switch. Please respond by the day before to allow time to organize.

The amount of interest and feed back will determine if we continue. If there is interest we can add days and times.

If you have not yet provided a BBO name and want to participate please send me an email. WE have around 25 now. That list is only circulated to those that provided a BBO name. Future emails like this will only go to those on the list.

Hope to see you online

Don

Subject: Lets play on BBO - What's your BBO user-name?

Good evening bridge players. Are you missing the game? Are you suffering from bridge withdrawal? Are you finding enough things to fill your days while you practice social (or today's latest, physical) distancing? The RDBC has now been closed for a week and perhaps we have a solution.

The ACBL sent a mail out this week suggesting how we can all play on line at BBO. We can play free games or join a paid group and earn black masterpoints while we support our own club.

We are very fortunate to have Don Norman be interested enough to volunteer to help set this up. He will direct you to web sites to help this happen. It could be an exciting time for beginners and experts alike.

To date we are very fortunate to have the financial resources to weather out this COVID-19 storm. But, we could add to our coffers with these online games while we play with our regular club partners or someone new. Please take a few minutes to read Don's suggestions below and feel free to ask questions if you need some explanation. It will be fun to pick a user name and play a few easy games to get it figured out, and then join your friends for a scheduled game. Hopefully, we'll meet at the BBO bridge table soon.

Take care and stay safe. Leslie

"Support Your Club Game" on BBO

Due to Covid-19 and the shutdown of bridge clubs many of us will turn to playing on BBO. You may have gotten an email from ACBL announcing a way to play on BBO, earn black points and support the club financially. The cost is \$5.00 US, \$4.00 of which is distributed to clubs. You need a free BBO account and to put money into the account by credit card or PayPal. The Regina Bridge Club would encourage you to consider playing in those games to support the club. Currently held daily at 8:00 a.m., 3:00 p.m. and 5:30 p.m. Regina time. Registration opens two hours before game time and fills up fast. Here is a link to ACBL's "Support Your Club Game" that has a lot of information as well as BBO Tutorials:

<https://www.acbl.org/clubsupportonlinegames/>

New to BBO?

If you are new to BBO here are a couple links with information and instructions on how to join and how to play:

Quick Guide for new users: <https://blog.bridgebase.com/2020/03/18/how-to-log-in-to-bridge-base-online-and-play-acbls-support-your-club-game/>

<https://www.bridgebase.com/v3/>

In addition to "Support Your Club Game" there are other ACBL games that cost \$1.25 for 12 boards as well as free games (no MP) in the casual Relaxed Bridge Club. In the Relaxed Bridge Club you can also start a table and reserve spots for friends to join your table. This would be a great place to play with a regular partner against another pair from the club to become comfortable playing on BBO.

Share your User-Name with club members

The club would like to create a list of our members BBO user-name that could be shared with other club members playing on BBO. You can then add these to your 'friends' list in BBO allowing you to see who is online. To have your user-name added to the list send an email to donaldrn@gmail.com or simply reply to this email with your BBO user-name.

I hope to hear from you soon.

Subject: COVID 19 and temporary closure of Club

To our valued Club members

re: COVID-19 and temporary suspension of play at the Club

Effective immediately

It is with a mixture of sadness and hope that you are receiving this message. We are saddened that you will no longer at this time be able to enjoy a game of bridge at the club due to the spread of the Covid 19 virus, and hopeful that if we obey our social conscience, we will help "flatten the curve" and slow the spread of the virus.

After great deliberation, the Board of Directors has voted to close the club effective immediately. The virus is expected to be around for a long time, but we will re evaluate the situation after two weeks and weekly thereafter, and follow the directives of our Public Health Department who has a grip on the bigger picture. We will keep you advised of the progress of the disease spread.

Additionally, we have two directors who are to be in self isolation after returning from out of the country and three others who are, wisely, not prepared to put themselves at risk by being at the club. Our situation does not lend itself to "social distancing". Our last few games saw only a few tables, so perhaps you,

the membership, are self monitoring and distancing yourselves from others by wisely staying home. We applaud those of you who are willing to support these community efforts.

Just a reminder that the federal Dept of Health is strongly recommending that anyone returning to Canada from anywhere in the world, including the USA, is advised to self isolate themselves by staying indoors and avoiding contact with others.

Thank you for doing your part to help keep your family, friends and neighbours, the community and fellow bridge players healthy and safe. We WILL beat this Covid 19 virus.

See you at the club.

WEDNESDAY NIGHT GAMES - THE ROOKIE-MASTER GAMES

We ask that masters at all tables sit in the same direction (i.e. North and East).

We feel that it will add fairness and consistency to have masters sitting in the same position as other masters.

Note: There are some pairs playing where there is really not a "master" (under 200 mps) so this would not apply to them.

Also, there may be a reason that a master would not like to sit North (for example, not wanting to be in charge of scoring). In that case, the person sitting south or west, for example, could do the scoring.

CELL PHONES - CLARIFYING OUR POLICY

- a) All cell phones are to be turned off or put on vibrating mode prior to the start of all bridge games.
- b) The director will issue only one reminder or warning regarding this policy during any given game.
- c) After a reminder has been given, if a person's phone rings during the game a quarter board penalty will be given. Since bridge is a partnership game, the penalty applies to the final score of the pair.
- d) Talking on a cell phone at the table while the game is on will result in the same penalty.
- e) In order that players might be reached should the need arise, players should give the Club phone number as the number at which they can be reached.
- f) An exception would be made for anyone on call, or who advised the director in advance that they are awaiting an important call. These individuals should still be encouraged to set their phone on vibrate mode.

HANDICAP PARKING AT BACK

Remember that there are 4 parking spots available at the back of the building for our use: Two are designated as handicap spots and can be used by anyone with a handicap permit. Two others are specifically designated as RDBC parking (we ask that these also be used by people requiring handicap parking).

- Directors will endeavour to have someone checking the back door in case there are players requiring entry.
- If you have a cell phone, you can also call the Club once you are parked, and someone will let you in.
- If your pard is already at the Club, ask them to make sure you get into the building.

*Special note: Doors lock behind you. If you let someone in the outside door, be sure that the inside door has not closed behind you, which would lock you between doors.

This can happen, as one of our members can attest (won't mention your name, G.Mc.!).

CONDOLENCES

Our condolences go out to family and friends of James King, who passed away on February 6, 2020. Although Jim had not been at the Club for awhile, he was a long-time player and will be remembered by many of our members.
